BATTERY INFORMATION

To remove or insert replaceable batteries, remove safety screw from battery compartment door. Lift and remove door. Take out and safely dispose of old batteries. Follow polarity diagram inside compartment to insert three new batteries of any of the following types: AG10, LR1130 or equivalent. Alkaline batteries are recommended. Place battery compartment door back and secure safety screw. Do not use excessive force or an improper type or size of screwdriver.

CAUTION

To ensure proper safety and operation, battery replacement must always be done by an adult. Never let a child use this product unless battery door is secure. Keep batteries away from small children and immediately dispose of any used batteries safely.

GENERAL SAFETY AND CARE

- Rechargeable batteries are not to be used in this product.
- Non-rechargeable batteries are not to be recharged.

Prince and Princess GO TO SCHOOL

# Prince and Princess

# GO TO SCHOOL

It is the first day of school.
There is so much noise and so much to see.
Prince and Princess feel a bit lost.

In class, Prince and Princess learn to count.
Afterwards they draw pretty pictures.
TRING! The school bell rings.

All that learning made Prince and Princess hungry.
Luckily they packed their favourite lunch and juice.

In the afternoon, Prince and Princess
have music class and playtime.
The trampoline is lots of fun.

When the last bell of the day goes,
Prince and Princess walk home.
They are happy that tomorrow
is a new day of school.
