Corraini Edizioni is a publishing house open to Italian and international artists, illustrators and designers: a space where tailor-made books and projects see the light.

The Corraini catalogue currently contains some 60 titles on and by **Bruno Munari**, who has collaborated with Corraini for over 20 years. As a part of his eclectic work as an artist-designer, he always paid special attention to the world of children. Never separating content from form and materials, what he designed were at once books, book-objects and games that make us think.

Besides our publishing activities Corraini Edizioni also works with public bodies, museums, companies, universities and galleries, to produce books, catalogues, exhibitions and workshops.

Corraini's catalogue includes, among others, works by
Bruno Munari • Enzo Mari • Suzy Lee • Keri Smith • Emiliano Ponzi • Noemi Vola • Andrea Antinori • Fausto Gilberti • Harriet Russell • Luca Boscardin • Valentina Raffaelli • Yoshiko Noda • Marti Guixé • Monica Guerra • Michele De Lucchi • Daniel Eatock • Jason Fulford • Bob Gill • Noma Bar • William Wondriska • Steven Guarnaccia • Seymour Chwast • Steven Heller • David Carter • Taro Miura • Paul Rand • Alessandro Mendini • Alessandro Sanna • Paul Cox • I Ludosofici • Aldo Tanchis • Giulia Pastorino • Sergio Olivetti • Sarah Cheveau • Matteo Loglio • Laura Simonati • Lorenzo Badioli • Samuele Recchia • Andrea Giulia Milittello • Massimo Gardone • Giovanni Colaneri • Giorgia Lupi • Louise Fili • Paolo Ventura and many others
