

A vibrant autumn forest scene. In the top left, a large brown bear sits in a cave with two smaller cubs. A bee flies nearby. In the center, a squirrel sits on a branch. To the right, a small brown bear and a larger brown bear holding a beehive are visible. The background features tall trees, some with autumn-colored leaves, and a blue sky. The ground is green with small white flowers and mushrooms.

WELCOME

AUTUMN 2025

This autumn, we're delighted to be introducing a number of innovative new series and adding to some beloved favourites. Check out our exciting new sound books featuring fold-out pages, voice-activated noises, shaped pages, music, and more. Explore celebrations around the world in our light-up festivals series, meet high-contrast animal friends with our tummy-time concertina books, and operate zany vehicles in our spinning cog slider books. As well, keep an eye out for new additions to our board book range, activity book series, and stunning pop-up fairy tale collection...

ABOUT US

North Parade Publishing is an award-winning, independent publisher of children's books. Since our founding in 2001, we have published hundreds of titles and worked with other publishers in dozens of language markets across the globe.

Our extensive catalogue features the very best of contemporary children's-book innovation spanning baby books, picture books, and more. We are proud to create standout books that engage readers in multiple ways, combining stunning artwork and multi-sensory elements including sound, texture, and moving pieces.

We strive to offer something for every young reader and deliver books of the highest quality.
