THESE ARE MY ROCKS

A story about collecting

Bethan Woollvin

These Are My Rocks

written by Bethan Woollvin

- This book celebrates children's love of collecting, which often becomes something they're interested in from the age of two, in a playful picture book format. From acorns to toy cars and everything in between, These Are My Rocks is the perfect title for little ones how love to collect.
- Interactive books engage young children and capture their natural curiosity and These Are My Rocks encourages the development of important early-learning skills such as listening, choosing, matching, counting and moving by playing on the theme of interaction. Children are encouraged by the narrator to interact with the book, with invitations to point, make noises, clap their hands and think about what they could collect.
- Bethan's distinctive and bold style sets her art apart from the crowd and her debut picture book, Little Red propelled her into the forefront of the picture book world. Since then her work has been translated into nine languages and her titles continue to delight children, including her most recent Meet the... series which collectively has sold over 30,000 copies in the UK.

The Chase

written by Jenny Bloomfield

- A mischievous gang of dogs set off after a bright red ball. Nothing will stop the chase!
- A girl on a beach throws a ball for one eager little dog. Suddenly, one dog becomes two - three - ten leaping, bounding doggies, all on its trail! The chase is on: who will be lucky pup to fetch the bright red prize?
- Off they run, through city streets, a museum and the park, down the river, until: what's that rumbling sound? Oh dear! But not even a mighty waterfall will stop these determined dogs from chasing down that ball.
- The finale brings us back to the beach, where a gatefold reveals just how many dogs joined the chase... before we end as we began: "FETCH!"
- With children's literacy levels at their lowest in a decade, books like this one show children just how playful and joyful reading can be - with a fold-out gatefold adding to the fun and interactivity.

Being the Biggest

written by Molly Mead

- A heartwarming, relatable tale about the joys and challenges of being the eldest sibling.
- Written from the perspective of a big sister, our narrator recalls how she used to be the only little one in her house. Then, a sibling arrived.
- Suddenly, she became the big kid. This role comes naturally - she is a keen helper, patient teacher, kind sharer and confident leader. But she also feels pressure to live up to what she thinks "being the biggest" means.
- Mum shows her that being the biggest doesn't mean she can't get upset or ask for help; and, in a comforting resolution to the story, tells her that, no matter how big she grows, she will always be her little one.
- The text is gender non-specific.

Ady and Me

written by Rich Pink; Rox Pink illustrated by Sara Rhys

- Ady and Me is the first children's book from Sunday Times bestselling authors Rox and Rich, also known as ADHD Love. The hugely popular social media duo have a combined reach of over 2 million on Instagram and TikTok, and over 250 thousand on YouTube.
- Written by a neurodivergent author, Ady and Me demystifies the characteristics of ADHD with humour, authority and sensitivity. By highlighting the often-misunderstood behaviours of children with ADHD, the book serves as both a joyous tale and an accessible resource for parents, helping them better understand their neurodivergent child.
- The rate of ADHD in children in the UK has surged in recent years, with diagnoses for over ten more than doubling since 2018(ADHD UK)(UCL). Long NHS wait times, and costly treatments have made accessible resources like Ady and Me increasingly valuable for families seeking guidance.

Bad Hair Day

written by John Phillips illustrated by Jennifer Jamieson

- A picture book reimagining of the viral TikTok song Bad Hair Day. There has been over 1.8 million videos created using the song with combined views of the song reaching over 1.5 billion. Bad Hair Day repurposes the hit song in a charming, humorous illustrated adventure, and includes a QR code on the back linking to a lyric video version of the song.
- This hilarious story has an interactive element that encourages children and adults alike to get involved. The song's famous dance routine is included throughout the book alongside the main repeated refrain, with increasing numbers of characters dancing like a chicken, encouraging readers to dance along too!
- Jennifer Jamieson's illustrations infuse the picture book with added humour with hilarious, quirky things to spot on every spread, such as the whacky chicken sidekick who follows the reader throughout the story. These charming illustrations add a second narrative to the picture book alongside the song's bad hair day story, which readers will enjoy spotting.

Our Tower by Joseph Coelho

- Two children look out of their flat window high up in a tower block and see the tops of some trees. They leave the block in search of the tree whose top they know so well and fall down into a magical world under the roots of the tree. There they meet a wise old man who sits in a throne made from gnarled wood. He gives them a magic pebble with a hole inside and when they look through it, their home which they once saw as cold, hard and angular is revealed afresh to be just as powerful, magical and exciting as the wise old trees.
- A deeply personal story written by the award winning poet Joseph Coelho, drawn from his own experience growing up in a tower block and looking for adventure. This story is a celebration of, and a reclaiming of tower blocks as a place where magic and adventure can happen.

In Time

- As soon as we wake up the race begins – hurry up, let's get a move on, we're going to be late! But for children, the world can seem like a truly slow-moving place. Is it time to go home yet? Are we nearly there? How long will this take? Follow the journey of a child as she learns to be more patient and less resistant to the world around her. As she slowly opens her eyes to the wonder of nature she uncovers that some things are really worth waiting for.
- Along with the universal topic and heart-warming texts, it ties in with mental health themes, encouraging readers to slow down and take time in the here and now.

Crazies had forgotten
how wonderful the
dust was.

They didn't see all the
little birds and bugs
and butterflies and
bees that thrived in
the shadows. And no
one told them to stop
because everyone was
scared of them.

Gerald Needs A Friend

- Gerald has everything he needs, a neat and tidy vegetable garden, a good book and a very sensible routine. What more could he need?
