

JUNGLE BOOK

Fairy Tale Sound Book

Once upon a time, Bagheera, the black panther, found a baby by the river. He brought him to Akela, the wolf, who raised him as one of her own cubs. The boy was named Mowgli.

But when Shere Khan, the tiger, moved in nearby, Mowgli was no longer safe.

So, the scared boy ran away. Deep in the jungle he met Baloo, the carefree bear. The two became best friends.

When hearing a rumble, Mowgli snuck off
to find a herd of marching elephants.
But while enjoying the spectacle, the distracted boy
was captured by monkeys. They wanted him as a pet!

Luckily Kaa, the snake, was able to spellbind the monkeys.
This gave Bagheera and Baloo a chance to free the boy.

A storm broke and with a rumble of thunder
Shere Khan jumped from the bushes
growling: 'At last, I can eat you!'

Bagheera and Baloo fought the tiger to protect Mowgli.
When lightning struck, Mowgli tied a burning branch to
Shere Khan's tail. The scared tiger ran away screaming.

The friends reached a village at the edge of the jungle.
Here, Mowgli would be safe and live happily ever after.
